Tormek TNT808 Woodturners Kit-

This kit contains everything you need to shape and sharpen all your turning tools, including two patented jigs (works like three!), a radiused leather honing wheel, an in-depth instruction manual and DVD, the Turning Tool Setter and the Tormek Case to store all your jigs.

The jigs are packed in TC800 Tormek Case with the included TNT00 Storage Tray. The Tormek Case keeps your jigs and accessories organised and is easy to carry thanks to the premium leather handle.

The case is made of high-quality materials with a slidable lid that keeps everything in place. The storage tray is made of EPP, a permanent construction material that is durable and ready for many years of holding jigs in their places.

TNT808 Woodturner’s Kit includes:

- Woodturner's Instruction Box TNT300
- Turning Tool Setter TTS100
- Machine Cover MH380
- Profiled Leather Honing Wheel LA120
- Gouge Jig SVD186R
- Multi Jig SVS50
- Tool Rest SVD110
- Tormek Case TC800
- Storage Tray for Woodturner’s Kit TNT00

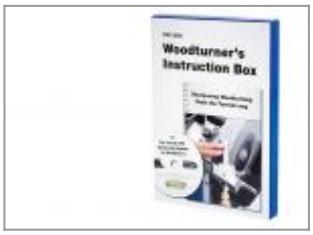
Tormek TNT808 Woodturners Kit-



TNT300 Woodturner's Instruction Box

The Tormek Instruction box, which contains a 1 hour 20 minutes DVD film and a handbook shows you how to shape and sharpen all your turning tools.

Turning Tool Setter TTS100

The Turning Tool Setter TTS100 is the key to an efficient sharpening of woodturning gouges and skews. It enables you to exactly create and replicate the edge angle on your bowl and spindle gouges as well as on your flat or oval skews with either a straight or a curved edge.

Machine Cover MH380

Protects your machine from shavings and wood dust. 100% Cotton, breathable, fits all Tormek models.
