Jacks SPLKHOSE125-

Overview and features

- 125mm diameter for larger extraction outlets
- Transparent. See how well your extration is working
- Durable. Made from PVC this hose will cope with plenty of movement without wearing through
- Flexible. Plenty of flex to fit around corners or over machines
- Steel Coil. Keeps its shape while withstanding workshop wear and tear

Extraction hose of other diameters is available - call our spare parts department for details.
