## BU200F Buzzer-

The BU200F surface planer, a.k.a. buzzer: a strong, powerful machine with a 200mm (8") wide table at an unbeatable price.

- Heavy cast iron construction - absorbs vibration for cleanest finish
- Massive cast iron fence
- Table height adjustment by large handwheel (essential for shooting hollow joints)
- Generous support for rebating - very useful for joinery work
- Long tables for efficient straightening
- Pedestal switch - no fumbling around at knee level
- Full cabinet stand incorporating shavings chute gives excellent stability
- Unbeatable value for money

A wheelkit is available separately. Some assembly required.

## BU200F Buzzer-

### Solid accurate fence

Fence adjustment is quick via cam locking.  
The heavy-duty cast iron fence can tilt  $\pm 45^\circ$  for chamfer planing.  
Bridge guard meets NZ Safety regulations. Precision rip fence setting by rack & pinion.

### Four knife cutterblock

A jackscrew means easy replacement and adjustment of individual knives.

### Simple, accurate adjustment

Indexed pin at 3mm - a regularly used stock removal amount.  
Large handwheels for controlled table adjustment.
