

Ascent Machinery BS470 Bandsaw-

We're pleased to offer the BS range of bandsaws. The BS470 is the largest machine in a range of three, with a wheel diameter of 470mm (18.5"). A heavy, trade specification machine, the BS470 offers plenty of power and performance for your workshop.

- Two speeds for cutting a variety of materials
- Powerful 2.2kW (3hp) motor
- Precision alloy fence with magnification for accurate positioning
- Euro-style upper and lower blade guides for excellent blade stability
- Tilting table and mitre gauge
- Quick release mechanism for blade change
- Very smooth and quiet running

Some assembly required.

Ascent Machinery BS470 Bandsaw-

Accurate height adjustment

Height adjustment is via rack and pinion with a height scale, keeping your work accurate.

P.A.C. type guide system

European-style upper and lower P.A.C. type guide system ensures constant blade support, even around corners.

Mitre gauge

A mitre gauge gives you complete angle adjustment.
