Ascent Machinery SA300 Sawbench-

Overview and features

- Heavy cast iron table & saw trunnions to absorb vibration
- Big table surface for easy and safe working
- Full cabinet stand with toe space - excellent bracing & easy to keep clean
- Mitre slide included for small parts. T-slots on both sides
- Anodised aluminium self-aligning rip fence with fast double clamping
- Precision rip fence setting by rack & pinion. Unusually, the rip fence can be positioned on both sides. Useful as an adjustable stop for mitre slide work. Can also be good in a small shop where space is tight
- Hood guard with 30mm dust take-off, rises/falls/tilts with riving knife to meet NZ safety standard.
- TCT saw blade included
