

Cast-iron eccentric clamp which can be adapted for use on both Hammer and Felder sliding tables. Adjustable in both height and horizontal position it is suitable for nearly all workpiece sizes and provides safe and comfortable work due to its high downforce pressure which prevents movement.

Clamp height: 140 mm

Clamp depth: 300 mm

For use on Hammer machinery requires 410-190 adapter.

For use on Felder machinery requires 01-1-036 adapter.

Item Code: 400-108
