

A limited workspace does not have to mean that what you can expect from a combined machine is also “limited.” On the contrary, the Hammer C3 31 combination machine satisfies the greatest demands, in the smallest space - with perfect results.

The C3 31 combi offers everything the enthusiast desires:

- Sensational value for money
- Solid cast iron tables and units
- Innovative machine technology
- Fantastic standard features
- Quick changeover times
- User friendly performance
- Quality and precision that will last for years and years

Please note machine images may show optional equipment.

Silent-POWER cutterblock

For tear-free results, low noise and twenty times the usable blade life, Silent-POWER cutterblock offers outstanding value.

Also available: a 3 knife quick-change, self-setting cutterblock system enables simple and accurate planer knife changes in seconds.

Overview and features

Perfection in woodworking with the Hammer combination machine. See for yourself the precision and versatility of the Hammer Combi and observe just how easy it is to make a high class rocking chair using wood from the Black Locust tree.
