Hammer C3 31 Perform Combi-

The C3 31 Perform - a powerful package of performance and precision in a compact unit.

Is it possible to carry out professional surface planing and thicknessing, moulding, format cutting and as an option, slot mortising, even in the smallest of spaces? With the C3 31 Perform, it's no problem.

The C3 31 Perform offers you the finest machine technology, exceptional performance and a great deal of precision while occupying very little space.

The extraordinary user friendliness, the various possibilities for making accurate adjustments, the short changeover times and the high quality workmanship that Hammer put into each machine ensure that you are investing in a product that will serve you well for many, many years.

Please note machine images may show optional equipment.
