Felder CF 741 Combination-

FELDER

Everything you need for perfect woodworking results in just two and a half square metres!

The Felder CF 741 woodworking centre combines the advantages of five stand alone machines and brings high performance, precision and shortest changeover times into every workshop. Planing, moulding, cutting and drilling - a top quality workshop in one machine.

Please note machine images may show optional equipment.

Felder CF 741 Combination-

FELDER.

Silent-POWER cutterblock
The advantages at a glance...
- Extremely quiet, noise is reduced by half
- Usable blade life twenty times longer than standard blades
- Larger chip space
- Tear-free planing results
- Four-sided blades
- Reduced power consumption

Quick conversion from planer to thicknesser
Spring assisted planer tables make conversion simple, and fast.

Large rip capacity
The rip capacity is 930 mm. Smooth and precise, the rip fence can be locked into position with one hand, with a fine adjustment setting to give you the accuracy required. The scale is easily readable and well integrated into the machine.
