

KDT KE-268JSA Edgebander-

Packing the units of a much larger edgebander into a heavy-duty, space-saving 4230mm frame, the KE-268JSA delivers professional results without the premium price. The KE-268JSA offers unbeatable value with pre-milling, trimming, corner rounding and buffing. Weighing an impressive 1700kg, the KE-268JSA is no light-weight toy.

KDT KE-268JSA Edgebander-

Control Panel

KDT's large 10" intuitive touchscreen sets new standards in user convenience. You're in total control. Select and adjust processing units, height of the feed beam, position of the infeed fence and pressure zone. Trouble shooting diagnostics and service reminders also help keep your KE-268JSA running smoothly.

Infeed Fence

A polished chrome steel infeed fence and table provide ample support to feed workpieces easily and accurately.

Pre-Milling Unit with Diamond Tooling

For removal of imperfections in the panel edge and edge swelling immediately prior to gluing. Improves edgebanding quality, appearance and bond strength.
