Robust Design and Hydraulic Lift

The FAT 300 has an extremely sturdy frame and foot operated hydraulic lift allowing a large weight capacity of up to 300kg. The large wheels allow movement over uneven and dusty workshop floors.

FAT300 Work Table

Example of work, the FAT 300 can be used as a height adjustable assembly station.

FAT300 Work Table

Example of work, the FAT 300 can be used as an extension table to machinery of all heights.
