

IF REME Perfect Peanut Drawer slide-

The Perfect Peanut is an invisible connector which allows the REME Drawer slide to be mounted quickly and easily without tools.

Made from reinforced plastic, which ensures a high clamping force when inserted into the cabinet wall, the Peanut head is specifically designed to maximise ease of assembly and joint strength.

The new type of couplings make both the mounting and dismounting of drawers quick and simple. All in one: safety catch, coupling and alignment. Available either as a 1D (height adjustment), or 2D (height and side adjustment). Fast, simple and toolless achieving of a perfect front panel alignment.

Key Benefits:

- Quick and easy installation with Peanut® technology
- Individual loading capacity up to 25kg
- Available with 1D or 2D coupling options
- Lengths from 250 - 550mm
- Star-shaped profile
- Stepless height adjustment with integrated damping system
