

Hammer B3/K3 Powerfeed Tilt-away Bracket

The powerfeeder tilt-away bracket allows the feeder to remain bolted on the machine so that it does not need to be removed. Quick and simple operation to tilt the feeder above or below the operating level.

Note: This version suitable for Hammer K3 winner, B3 winner, and B3 perform machines only.

Item Code: 501-127

Hammer B3/K3 Powerfeed Tilt-away Bracket

Easy Operation

Two locking handles and simple swinging operation makes it a quick transition between storing and using the powerfeeder.
