

# Felder PF Swing-away Bracket FE/F4-

**FELDER.**

The powerfeeder swing-away bracket is the most ergonomic solution for storage of power feeders on your spindle moulder. The bracket is simply bolted into position when in use and swung out of the way for curved work with no heavy lifting involved.

Note: This version suitable for Felder F700M, F900M and Format-4 profil 45Z and profil 45M spindle moulders only.

Set includes extension bar for Felder spindle moulders and swing-away bracket.

Item Code: 430-016
