

The tried and tested planer/thicknesser from the Felder 700 series is renowned for its excellent planing results and reliability. In the new design the AD 741 offers an unbeatable price/performance ratio and is a perfect entry level model into professional woodworking. Like all planers from Felder, the AD 741 can also be equipped with the revolutionary Silent-Power® spiral cutterblock guaranteeing optimal working conditions by halving the noise emissions.

Highlights:

- Easy, synchronised opening of the solid planing table
- Minimum space requirement due to the optimised planing fence
- Accuracy to a tenth of a millimetre on the thicknessing table adjustment with digital indicator
- Optional "Power-Drive" package for electrical control
- Easy to read depth of scale, optimally integrated into the machine chassis
- The Felder system cutterblock, has been guaranteeing perfect planing results for decades
- Innovative Silent-Power® spiral cutterblock halves noise emissions

Please note machine images may show optional equipment.

Felder AD741 Planer Thicknesser-

FELDER

Thickening unit

The solid cast iron cutterblock housing is built for heavy duty work. The serrated steel infeed roller and micro-serrated steel outfeed roller ensure a smooth transport of the workpiece through the machine. Both steel rollers are well dimensioned and are non-wearing.

Adjusting the depth of cut

The chip removal can be adjusted continuously to up to 4 mm. The magnifying glass guarantees accurate reading of the scale.

Planer fence

The planer fence: A masterpiece of engineering providing stability, precision and performance! The fence can be tilted with end-stops at 90° to 45°

Specifications

Motor	3 phase 5.5HP - single phase 4HP motor
Weight	500kg
Thicknessing width	404mm
Knives	Silent-POWER spiral block
Maximum workpiece thickness	230mm
Feed speed	Variable 6 - 12m/min
Working height	890mm
Dust extraction	120mm

Specs shown are for the standard model we offer, but Felder offer a wide variety of options, so talk to us about customising a machine to suit you.
