

Ascent Machinery BU150F Surface Planer-

The BU150F Surface Planer is an excellent home workshop machine. You get a quality 150mm (6") wide buzzer at an affordable price.

- Heavy cast iron construction - absorbs vibration for cleanest finish
- Long tables for efficient straightening
- Cast iron fence with truly massive mounting: tilts +/-45°
- Generous support for rebating - very useful for joinery work
- Both tables run in machined dovetail ways with large handwheels (Adjustable rear table is essential for shooting hollow joints)
- Pedestal switch - no fumbling around at knee level
- Full cabinet stand incorporating shavings chute gives excellent bracing
- Knife setting device included

Some assembly required.

Ascent Machinery BU150F Surface Planer-

Large handwheels for controlled table adjustment

Allows for easy raising and lowering of the table to suit all sizes.

Solid accurate fence

Fence adjustment is quick via cam locking.

The heavy-duty cast iron fence can tilt $\pm 45^\circ$ for chamfer planing.

Bridge guard meets NZ Safety regulations. Precision rip fence setting by rack & pinion.
