

Gupfo Rubber Roller 200mm-

Grey foam rubber roller with a ribbed and non-porous surface suitable for white glues, and glues with added hardener (kaurit glue). This roller gives a thinner glue application than other rollers such as for veneer work with coarse-pored veneers.

Item Code: MOSS200

Gupfo Rubber Roller 200mm-

Overview and features

Very easy to clean. Please be aware that the surface can be damaged through wringing out, pulling and scratching. Damage can result in glue getting into the roller and causing it to swell. This roller is not acid-resistant; avoid cleaning with cellulose thinner or turpentine.

Suitable for the 200mm Glue Applicator, item code: GLUE200
