

Virutex FR256N Edge Trimming Set-

Virutex's Edge Trimming Set for trimming edges of PVC and veneer.

The set includes the FR156N Edge Trimmer with the CA56G Trimming Head, which enables uninterrupted trimming of the four edges of a panel.

Virutex FR256N Edge Trimming Set-

Excellent stability and handling

The FR256N has a large support base and an auxiliary holding knob, designed to give it perfect stability.

Quality finishing on the corners

Standard round trimming head is also included.

Overview and features

Electronic speed adjustment and constant torque control for a constant motor speed under load.

Dust collection connection and three bases (hole Ø 20, 26 & 30mm) for use with differently sized bits.
