

Virutex 5031110 Edge Trimmer-Scraper-

5031110 Edge Trimmer-Scraper by Virutex provides a professional finish by removing the remains of glue or burrs, Ideal for breaking edges, affixing curve and cleaning thin plastic edges and inclined edges/mitred edges.

The 5031110 can cut Straight or Radius of 1, 1.5 and 2 mm. Smoothing away impact marks left by cutters during the routing process (R1, R1.5 and R2 mm curves). Trimming overhanging material after the edge is cut (plastic edging) without damaging the surface of the workpiece.

Made from high strength treated steel with a micron surface finish coating of the pores of the metal to prevent oxidation.
