

Virutex AG Zeroline Portable Edgebander-

The AG ZeroLine system includes the RC321E end trimmer and RP28 edge scraper/trimmer, all housed in a stackable case for easy transport. It delivers flawless edge fusion with invisible, durable joints and is ready to use in just 2.5 minutes.

Versatile and efficient, it handles straight, curved, or shaped panels without requiring glue. Compatible with edge banding rolls via its integrated holder, as well as pre-cut strips up to 40 mm wide and 2 mm thick. Also supports conventional pre-glued edge banding.
