

Are you looking for a smaller bandsaw that is still built with high quality components and a focus on precision? Then the N3800 is the right choice for you!

Standard features include saw-blade guides both above and below the table, cast-iron wheels, saw blade tension indicator, tilting machine table and many others – a comprehensive package at a great price! Built in Austria by Felder for a truly high-quality machine.

Please note machine images may show optional equipment.
