

Hammer K3 Winner Comfort Panel Saw

Size, performance and precision with proven Hammer technology.

The K3 Winner, with the Comfort Package, is a format circular saw that boasts high-quality Hammer technology, unique ease of operation and innovative solutions that are obvious in every detail.

The Comfort package includes additional features such as the 2000 mm sliding table and 1100mm outrigger table with mitre index system that meet the high demands of professionals. Other features include a scoring unit, preparation for grooving tooling, and a cast iron guiding bar on the rip fence.

Naturally there are many other useful accessories available to fulfil your individual needs.
