

Tormek RM533 Rubber Workmat-

The Rubber Work Mat RM-533 is a water proof and non-slip surface, ideal for your Tormek.

The raised rim retains any water spillage and provides a convenient and tidy base for your sharpening system.

Size 533 x 343 mm

Suitable for all Tormek models.

Tormek RM533 Rubber Workmat-

Overview and features

The rubber work mat is made of natural rubber which reduces vibrations and works well with water. As with all natural rubber, it has a smell of rubber when first unpacked but will decrease and eventually go away.
