

Ascent Machinery Ascent Extractor EX300 (secondhand)

Please be aware that all secondhand machinery is sold on an 'as is' basis. As per the **Health and Safety at Work Act 2015, s 42(7)**, 'as is' means "the plant is sold without any representations or warranties about its quality, durability, or fitness, and with the entire risk in those respects to be borne by the buyer".

In very good used condition, minimal use.

As shown in photos, sold assembled.

Our most popular home workshop extractor - suitable for connecting to a sawbench, thicknesser, belt sander etc.

- Easy to move with wheels as standard
- High airflows mean cleaner machines and better results
- Quiet operation
- Needle felt filter bags (not woven cloth)
