

Casadei Corner Rounder (secondhand)

Please be aware that all secondhand machinery is sold on an 'as is' basis. As per the **Health and Safety at Work Act 2015, s 42(7)**, 'as is' means "the plant is sold without any representations or warranties about its quality, durability, or fitness, and with the entire risk in those respects to be borne by the buyer".

This machine is in good Secondhand condition.

The Casadei CRH corner-rounder is perfect for every small workshop that does its own edgebanding.

Ability to round ABS and PVC corner edges in less than 3 seconds. Simply place the workpiece into the unit, press the pedal and the corner is rounded by automatically tracing the radius of the panel. It really is that simple and precise.
