

Felder Edgebander P200 3P (secondhand) **FELDER.**

Please be aware that all secondhand machinery is sold on an 'as is' basis. As per the **Health and Safety at Work Act 2015, s 42(7)**, 'as is' means "the plant is sold without any representations or warranties about its quality, durability, or fitness, and with the entire risk in those respects to be borne by the buyer".

Ideal for smaller workshops and short-run production, the P200 edgebander offers quick setup and easy operation. Designed to run with pre-glued tape, you can be up and running within minutes.

Handling edge thicknesses from 0.4mm to 2.0mm, this machine delivers reliable performance in a solid, space-saving design that fits comfortably into most workshop layouts.

This unit is located in our Christchurch showroom and is in very good condition.
